

PARAMETER	D10X	AF10X
Relative reduced measuring error	1%	1%
Dust and water protection	IP69	IP69
Interaction interface with external devices	RS-232/RS-485	analog-frequency
Power supply voltage	7-50V	7-45V
Galvanic isolation strength is no less than	250V	2500V
Operating temperature	-40 ...+80	-40 ... +80
